# SHIELD-BACK ARMCHAIRS

**A PAIR | ATTRIBUTED TO BARBARA BARRY FOR BAKER**

## *Sculptural form. Understated elegance.*

Dark wood frames, graceful shield-shaped backs, padded armrests and light neutral upholstery create a refined, inviting pair. Fully upholstered outside backs make them attractive from every angle.

**PROVENANCE & ATTRIBUTION** Acquired from an estate where the other furniture was identified as Baker; a relative of the late owner also identified these chairs as Baker. Neither chair retains a manufacturer label. Baker attribution rests on that family account and estate context. The Barbara Barry design attribution is stylistic and has not been independently verified.
