OLD DOGS, NEW TRICKS RESTORATIONS

Theodore Alexander

OAK PARQUETRY SIDE TABLE / NIGHTSTAND

Beautiful grain. Thoughtful storage.

Warm oak tones and striking geometric parquetry bring depth and character to this signed Theodore Alexander piece. A soft-close drawer and two open shelves pair handsome design with everyday practicality.

PIECE HIGHLIGHTS

- Distinctive oak parquetry top
- Soft-close drawer for tucked-away essentials
- Two shelves for books, baskets or display
- Top refinished and protected with four coats

MAKE IT YOUR OWN

- A refined bedside table
- An end table beside a sofa
- A lamp table by a reading chair

About the maker: Founded in 1996 by Paul Maitland Smith, Theodore Alexander remains an active luxury furniture company known for fine materials, detailed design and artisan craftsmanship.

Condition: A small area of slight discoloration remains within one parquet section on the top. Please review the photos. Exact manufacture year has not been verified.
